## Jeff Benton

### PERSONAL INJURY

The personal injury lawyers at The Benton Law Firm have a strong belief in accountability. The firm's mission is to further that belief by holding large corporations and insurance companies accountable for the harms they cause. Representing injury victims and their families in difficult times is a great responsibility, and it's one the firm takes very seriously. Benton has successfully resolved cases involving trucking collisions, premises liability, medical malpractice, product liability, negligent security, and on-the-job injuries. While some lawyers may be quick to settle cases, Benton works to ensure his clients are awarded the full measure of damages.

Benton regularly practices in federal and state courts throughout the state of Texas. In 2013, Benton was honored with the Dallas Trial Lawyers Association's John Howie Award for the courageous pursuit of justice in the face of adversity. As a result of the recoveries made on behalf of his clients, Benton is a member of the Million Dollar Advocates Forum and Multi-Million Dollar Advocates Forum. Honorably discharged from the United States Navy Reserve as a Lieutenant Commander, Benton takes pride in representing members of the armed services, veterans, and first responders.

Prior to forming The Benton Law Firm, Benton practiced securities and commercial litigation at one of the largest firms in Dallas. Since turning his attention to plaintiffs' personal injury cases, Benton works only on a contingent fee, such that his interests are always aligned with those of his clients. While Benton has successfully resolved hundreds of cases, including obtaining the second-largest premises liability verdict in the state of Texas in 2016, he measures his success on the level of satisfaction of his clients, rather than his results.
